**Rural-ETINET Workshop/Networking Event
Hotel Leopold, Rue du Luxembourg 35, Brussels
3rd June 2005**

A Rural-ETINET workshop and networking event will take place on the 3rd June, at 12:30pm in Brussels.

The main theme of the workshop will be – green technologies for sustainable development in Europe. You will have an opportunity to be updated on current Framework Programme 6 funding opportunities and trends.

There will be a session dedicated to developing new partnerships and an opportunity to present your project ideas, giving you an opportunity to carry out research projects on a European level or find new partners.

To register for this free event or to receive further information please contact Charlotte Dean: cdean@betatechnology.co.uk or 01302 322633.
